

## RECEPTION DESKS

### Stanley

Stanley is ideal in office that requires 2-3 staffs at the reception. The staffs are able to work from one single desk while serving the client hence easy dispensation of services. Straight reception desk with Stylish contemporary design.

Size: 2680\*950\*1100

### Regent Reception desk

Regent reception almost appear similar to stanley but they are small in size and can be used with 2 individuals. Creates a line movement theme of design in any office space

Size: 1800\*950\*1100

### Natron Reception Desk

This affordable reception desks looks contemporary, stylish and gives the office the focal point required to understand it as a reception area. Also make good use of corners by enclosing the chairs perfectly.

Size: 1800\*900\*1100

### Carisa Reception Desk

This desk is somehow bigger than the Natron reception desk. When looking for a desk that will give you enough minimal space to work around the reception area, This is an ideal selection.
