Headrest

A sleek height adjustable headrest with free-tilting support.

Lumbar Support Pad

Lumbar support can be conveniently adjusted by side knobs, without getting up from chair, to customize the exact support for various spinal shapes. Moveable range: 20mm..

Chair Mechanism

Standard YM synchronized mechanism features 3-position tilt lock, pneumatic seat height and auto weight-sensing tilt tension. Seat is adjustable for 100mm height range. Diecast aluminum alloy and steel material (100% recyclable) in black colour.

Backrest

A breathable polyester mesh suspension allows for improved ventilation, to provide exceptional thermal comfort. The height of the backframe can be easily adjusted by lifting the frame to the desired position. Adjustable range: 105mm .

Armrest.

3-way adjustable armrest. The height of the armrest can be easily adjusted by just lifting the armrests to suit the user's desk or body type. The armpad can be moved forward or backward. It also swivels into 3 angular positions, allowing the user to rest their arms easily.

Base

Standard base is moulded of polypropylene in black colour. 50mm dual-wheels castor of moulded polyamide (Nylon).
