Multipurpose Chair

OCFILA002

OCFILA001

Fila

Fila is a multi-purpose chair suited for hotel, convention, banquet and event seating. It is ideal for setting up large numbers of seats and quickly sorting them away after events. Unique to Fila are its ready-link legs which makes connecting the chair a simple and swift process. You can stack up to 10 Fila chairs high with stability. Once stacked, a trolley can be fitted to lift and transport stacked chairs away for storage.

Standard Features

Back Padding

Upholstered over polyurethane cut foam.

Seat Padding

Upholstered over polyurethane cut foam.

'Ready Link' Leg Base

Durable single piece glass fibre filled polyamide (Nylon) in charcoal colour. Leg design provides ganging & stacking function.

Main Shell

Injection molded shell in white or charcoal (100% recyclable).

Fila is easily stackable
