

OCKARDEN001

Kaden

Active sitting can redefine your sitting experience. Instant comfort, easy height adjustment, and enhanced mobility. KADEN is designed to create a healthier and more comfortable experience throughout your work day. Featuring smart and stylish design, KADEN aims to provide an enhanced seating experience at work, especially in the medical and lab environments. Sturdy design with added back support, KADEN is ideal for practically any side-way or forward-leaning tasks.

Standard Features

Back

PP Shell For ease of cleaning especially in a laboratory setting.

Seat Padding

Durable and low maintenance PVC allows for use in environments where cleanliness is crucial.

Mechanism

A revolutionary 360° tilt mechanism creates a sitting sensation akin to balancing on a stability ball. This gives the feeling of unrestricted movement. Included pneumatic seat height control.

Base

Durable Five star N3 base.

Chair Adjustments

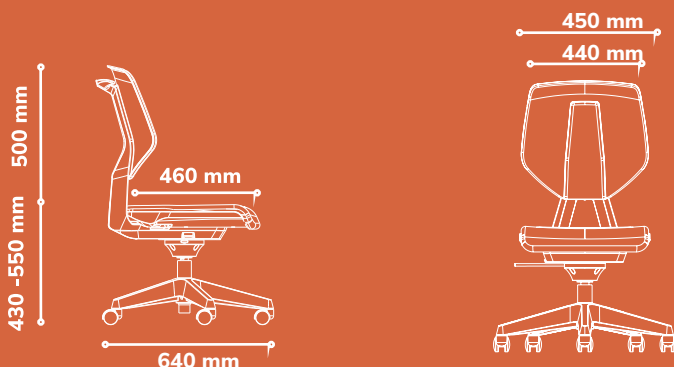

3D Tilt Mechanism

Pneumatic Seat Height Adjustable
