The Invisible Anti-Slip Solution for
any Slippery Surface*

 **Odorless!**

Quick Installation on any Slippery
Surface with Instant Grip*

What is Microgrip from Gripfactory by Antarc?

GripFactory Microgrip, is your ultimate invisible anti-slip solution for smooth and damp surfaces like concrete, ceramic tiles, and marble.

GripFactory MicroGrip is a liquid (GRIPliquid) that creates microscopically small grooves in the top layer of the smooth floor. After a treatment with MicroGrip, nothing is optically altered on your floor, but the water can now drain easily under shoe soles or car tires, resulting in more grip and minimizing chances of accidents or sliders. Providing a 30 month warranty, offering a lasting solution.

Experience safety excellence with a superior, invisible anti-slip solution exceeding international safety standards.

Grip can be applied on...

Concrete

Porcelain | Ceramic Tiles

Marble | Granite

With Grip you get

Durability

Ease of Use

Easy to clean and maintain

Warranty

(30 months guarantee)

Safety

No chemical fumes when applied & afterwards.

Slip Rating
