BUILD

CONCEPT INTO REALITY
The dream workspace

A modern office lounge area featuring two large, plush armchairs. One chair is a vibrant red, and the other is a neutral beige. They are positioned on a grey carpeted floor. In the background, a white ceiling with recessed lighting and a green exit sign is visible. A semi-transparent white box containing text is overlaid on the right side of the image.

A MODERN WORKSPACE

Optimize innovation and collaboration in your workspace

Offices play a vital role in collaboration, creating an environment for collective innovation, productivity and wellbeing, as well as spaces where employees can work and relax. Ideas can be shared and developed more easily as a team.

Growing & Supporting local Manufacturing

Antarc supports local manufacturing through indirect employment. As an organization, we strongly believe in the Buy Kenya, Build Kenya initiative that has seen increased consumption of locally manufactured goods and services, with the ultimate aim of growing local production and local industries and improving the lives of Kenyans.

Kenya is a hardworking country. Let us shape our identity by supporting local industries.

Buy Kenya, Build Kenya

Acoustic Pods

Pods

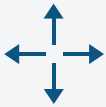

**Separate mobile spaces
replace stress with
harmony & peace**

Hush Meet is an additional, independent space for your office. It allows you to conduct meetings in a comfortable and secure environment with advanced acoustic solutions.

Additionally, the closed space provides a feeling of privacy which ensures that everyone within the Hush Meet can feel at ease. The pod is an excellent alter-native to small conference rooms and can be placed wherever you want!

Why is the Hush Meet a unique office solution?

Mobility

You can move the pod without disassembly.

Dimension

It occupies space needed for two standard workstations.

Acoustics

The upholstery and double glazed door with acoustic film effectively absorbs sound.

Facilities

Hush Meet is an independent space powered by electricity, providing comfortable conditions during the meeting.

Innovative whiteboard, magnetic & projection surfaces

Smart Surfaces

Smart whiteboard Paint

Create a writable surface in your office, school or home with this no ghosting dry erase paint. Open up the possibilities for your workspace with our dry erase paint and boost your creativity, productivity and focus with this innovative product.

Smart Magnetic whiteboard Paint

Create a high quality magnetic surface of any size with our magnetic paint. Containing 55% magnetite, this is a cost effective choice for creating a magnetic wall. Choose a topcoat of any colour to create a productive space, that fits your workspace design and is also magnetically receptive.

Writeable/Projectable Wallpaper

Transforms surfaces into writable projectable areas. Hang like any wallpaper, use just like any whiteboard and projection surface. Enjoy the benefits of a high performance projector surface with our top performing dry erase functionality all in one quick and easy to apply wallpaper.

Blinds

When it comes to enhancing the aesthetics and functionality of office spaces, window treatments play a pivotal role. Among the diverse array of options available, roller blinds, Venetian blinds, and vertical blinds stand out as popular choices for offices. These three types of blinds offer a perfect blend of style, practicality, and versatility, making them ideal solutions for addressing various needs in professional settings. Whether you are aiming to regulate natural light, maintain privacy, or simply elevate the overall ambiance, roller blinds, Venetian blinds, and vertical blinds provide a spectrum of design possibilities for any office environment.

Roller Blinds

From textured or neutral, to floral or retro, whatever your style, we've got a Roller blind that's ideal for every room. We also have our new range of blinds Sheer Elegance and Illusion Blinds.

Venetian Blinds

Discover the perfect blend of style, privacy, and light control with our Venetian blinds. Whether you're redecorating your home or outfitting your office, these blinds are a versatile and sophisticated choice that will stand the test of time.

Wooden Venetian

If you're thinking about Venetians there are plenty of reasons why you should make it a Wood Venetian. We have several different natural wood stains in our Wood Venetian range.

For smaller windows you should consider slimmer slats while larger windows suit wider slats.

The main thing to remember is that bigger slats mean more light when the slats are open. We've got width range of 25mm and 50mm.

Aluminum Venetian

A large range of colours to choose from, our range of Alluminium Venetian can help you to acheive any look you want to, from soft and discreet, to bold and bright.

They can be subtle or stand out.

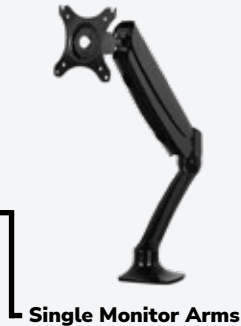

They can be practical or decorative.

Accessories

Office accessories are those little details that can truly make work easier for your workforce. Incorporate them into your office.

While having these vital office accessories is natural and can make your office feel more familiar, they go a long way to ensure comfort and a friendly environment for working hence improving focus and productivity.
