

Bespoke
RANGE

**Locally
Manufactured**
by our Local Artisans

Buy Kenya, Build Kenya

Our new bespoke inspirational range has been designed bearing in mind the African people, the African colors, vibrancy, food, jewelery, culture and tradition. Having worked with the local industry and communities for all these years has created an inspiration and passion to develop furniture pieces with local artisans telling the stories of Africa.

Enjoy our local range, designed, crafted and manufactured locally with passion, culture and inspiration to bring out the true spirit of Africa.
