

Workstations

6-Way to 8-Way Workstation

The Hermes 6-Way Workstation brings structure and style to larger teams. With its robust square tubular metal legs and durable powder-coated finish, it delivers long-lasting stability for busy office floors. This configuration optimizes workspace density without compromising comfort or movement. Optional screen panels offer additional privacy, improve acoustic balance, and help create a well-organized multi-user environment that supports both collaboration and focused tasks.
